

## Overview

As a recent front-end development graduate, I have knowledge of backend technologies and a passion for creating high-quality, responsive applications. I am a dedicated team player with experience in HTML, CSS, and JavaScript, and I am excited to learn and expand my skills in technologies like Node.js and MongoDB. I am committed to staying up-to-date with industry trends and delivering innovative solutions.

## Certificates

Certificates	Institution
Meta - Introduction to Front-End Development ( <a href="#">Preview</a> )	Coursera
Zero to Hero React JS mastery E-degree course ( <a href="#">Preview</a> )	Udemy

## Projects

### GitInsight – A GitHub clone application ([Source Code](#) | [Live Site](#))

- Developed GitInsight, a React web application for displaying GitHub user profiles, repositories, and following.
- Utilized the GitHub API to retrieve user data using the Axios library for HTTP requests.
- Implemented a loading skeleton to indicate data is being fetched.
- Designed the app with both light and dark mode options for improved accessibility.
- Employed modern coding practices, including using functional components and hooks, to ensure efficient and maintainable code.

### CryptoWatch – A crypto currency tracking application ([Source Code](#) | [Live Site](#))

- Developed CryptoWatch, a real-time cryptocurrency tracking application using React and CoinGecko API.
- Implemented a clean and modern design using Material-UI 5.
- Utilized Chart.JS to create interactive charts that display the price changes of cryptocurrencies over multiple days.
- Implemented API calls using Axios to fetch real-time data from the CoinGecko API.
- Employed modern coding practices, such as using functional components and hooks, to ensure efficient and maintainable code.

## Skills

Front End Technologies - HTML, CSS, JS, Bootstrap  
Framework or Libraries - React JS, Material UI, Axios, Redux  
Databases - Familiar with MongoDB  
Backend Technologies - NodeJS, RESTful APIs  
Languages - JavaScript  
Tools - Git, Jira

## Education

Education & College	Percentage
MBA [Human Resource Management]   SRTM University, Nanded	75.59%
Bachelor of Science   Yeshwant Mahavidyalaya Nanded	74.54%
HSC   NSB College Panbhosi	65.85%
SSC   SSGM High School Loha	55.80%
